

HOMESTEADERS HAPPENINGS

MARCH 2016

Samantha and her cabin presenting their skit to all the LON delegates.

LEADERSHIP OVERNIGHT

BY: SAMANTHA MARTIN

At LON there were some really good presentations my favorite one was the one on Leadership and we went more in depth on how different each leader is and the different kinds of leaders. We had a dance the second night which was fun and there was also a movie and s'mores.

The food was great and I met a lot of cool people. We played fun games like starfish. I really enjoyed the meditation session that we had, even though some of us fell asleep it was very relaxing. I really got to know everyone who went better and built a better friendship. We did

skits which were funny and also we had a lip sync battle. I regret not going in the past years because it is a lot of fun and you make memories to last a life time.

PRESENTATION DAY

BY: CASEY MCFARLAND

The Presentation day this year was on February 27th at Berger Drive off Gish road. All Santa Clara County 4-H members can join the county presentation day. It is a lot of fun meeting new 4-Hers.

There were about 30 presentations all together, and 5 people from our club went, including myself. At the presentation day we listened to other presentations and did

one of our own. You can do one in groups or you can do it solo. If you are not interested in doing a presentation you can do a skit. This event is important because you can learn speaking skills and performing skills, and it will be a lot of fun. Hope to see all of you at the next presentation day!
